

WORKBOOKS & SUMMER ACTIVITIES

If your child completes any/all workbooks that have been sent home from school, or workbooks that you purchase and brings it to me within the first two weeks of school next year, he or she will earn a prize!!! It is extremely important for your student to continue to read, practice their math and writing skills, and remain motivated to learn throughout the summer vacation. We teachers want to encourage your child to continue to **READ DAILY** during the summer break. Thank you for your support at home.
